

Let's Take A Closer Look at...

Dave Mosher's

*In our **Secrets of the BIG Dogs** ebook,
we do something totally unique!.....*

.....we display a description and thorough analysis of each of the programs we recommend in our Coordinated High Income Portfolio (our famous "C.H.I.P").....

.....**BEFORE** you join 'em! We want you to KNOW exactly what you're gettin' BEFORE you spend a penny!

*Nobody, **NOBODY** else on the Internet does that!*

And in my description of Dave Mosher's **MasterSafelistBlaster** I dared to make the following proclamation.....

*"What ELSE can one say about Dave Mosher's **MasterSafelistBlaster**, other than it's one HECKUVA traffic and commission generator!?"*

"A marketing MONSTER of mind boggling proportions!"

Now, THAT'S a pretty bold statement, isn't it?

*"That IS a bold statement, Stan! Can you back it up?" Well, let's just see what the **FACTS** say, huh? And when I say "**a marketing MONSTER**," I MEAN a marketing monster!*

We all know that the keystone for Internet marketing success is generating massive amounts of **quality traffic**. And it's pretty dog-gone difficult to find a more powerful traffic generator than **MasterSafelistBlaster**.

So let's just see what ALL
MasterSafelistBlaster
has to offer.....

1

TRAFFIC, TRAFFIC, AND MORE TRAFFIC!

Dave has partnered with over 300 individual safelists, with a combined membership of over 500,000 targeted prospects!

Your upgraded Gold membership in **MasterSafelistBlaster** allows you to send your ad to the entire membership eight times a

month.

Eight "sends" per month times 500,000 members? That equals 4,000,000 (that's **FOUR MILLION**) opportunities to have your ad seen every month!

And it gets BETTER.....

YOU DON'T HAVE TO JOIN ALL 300+ SAFELISTS INDIVIDUALLY!

Most other so-called "blaster" programs REQUIRE that you sign up for each of the programs in their network **INDIVIDUALLY, ONE-AT-A-TIME!** *That time-consuming and tedious process alone could take you several DAYS.*

2

*Not so with Dave's "**MasterSafelistBlaster!**"*

In fact, you don't have to be a member of ANY of those 300+ safelists! Thus, you don't receive return emails from them, and your email box doesn't get filled up.

*And even **BETTER**....*

3

MASTERSAFELISTBLASTER IS A TRUE SET-AND-FORGET, AUTOPILOT TRAFFIC GENERATOR!

Now, you CAN, if you wish, login to **MasterSafelistBlaster** eight times a month to send out your ad. BUT... Dave also has an automatic mailing feature included. Set it up, and it will send out your ad every three days automatically! Truly hands off!

But the **BEST** is yet to come...
...commissions, commissions, & **MORE** commissions!

Cha-ching!

4

DOES DAVE PAY COMMISSIONS? YOU BETCHA! BIG TIME!

Tired of measly commission payouts?

Naturally, when you refer others to **MasterSafelistBlaster** you earn a commission. THAT'S no surprise. Now, the USUAL commission payout in our industry can be as low as 20% or 30%. On the other hand, Dave pays a very lucrative.....

.....40% RECURRING COMMISSION!

.....on all your **MasterSafelistBlaster** Gold upgraded members.

Tired of waiting for a MONTHLY commission payment?

Dave pays your commissions..... WHENEVER YOU WANT 'EM! There is no "hold period," and the payout minimum is just \$20.00. As long as you have your payment processor information on your profile page, Dave will send you your commissions automatically, with no "request to admin" necessary.

Think about it.....

If you referred one Gold member a day for thirty days you could have 30 "pay days" a month. And the next month, and the next month, and..... Can it get any sweeter!

5

MASTERSAFELISTBLASTER HAS AN ACTIVE, RELIABLE, AND RESPONSIVE OWNER!

Dave Mosher, the Admin, CEO, and owner of **MasterSafelistBlaster** does something truly unusual...

*...m'man Dave runs **MasterSafelistBlaster** like a BUSINESS!*

As you've no doubt experienced first hand, the majority of program owners pay attention to their "business" only "whenever they feel like it;" they run their programs like a HOBBY. On the other hand, Mr. Mosher actively and aggressively takes care of the day-to-day running of **MasterSafelistBlaster** promptly and efficiently. Support is unparalleled.

"Professionally-run" is the best term to describe **MasterSafelistBlaster!**

*"OK, STAN, THAT IS A HU-MONG-OUS AMOUNT OF MARKETING POWER THAT **MASTERSAFELISTBLASTER** OFFERS; BUT THE COST HAS GOT TO BE HU-MONG-OUS TOO, HUH!?"*

6

COST??? BE PLEASANTLY A-M-A-Z-E-D!!!

I don't think you can argue with the fact that Dave and his **MasterSafelistBlaster** offers an absolutely unbelievable amount of traffic.

The cost for a Gold, top-level **MasterSafelistBlaster** membership? (Hold on to your hat!).....

.....just \$59.95 per month!!!

That works out to
one hundred THOUSANDTH of a penny.
per lead!!!

I CHALLENGE you to find a more powerful traffic-generating program, at a more reasonable price, than **MasterSafelistBlaster!**

(Not yet ready for the big time? Dave also has a silver membership for just \$39.95 per month.)

As all you Big Dogs know by now, I am a "bottom-line" kinda guy. And as far as Dave Mosher's **MasterSafeistBlaster** is concerned HERE is.....
